The Honorable John D. Johnson Sr.
President, Lac du Flambeau Band
of Lake Superior Indians
Post Office Box 67
Lac du Flambeau, Wisconsin 54843

Dear President Johnson:

On March 15, 2023, the Bureau of Indian Affairs (BIA) received Lac du Flambeau Band of Lake Superior Chippewa Indians (Tribe) Resolution No. 69(23). The Resolution and its accompanying documentation requested the removal of the following routes (Roads) from the National Tribal Transportation Facility Inventory (NTTFI):

Annie Sunn Lane	Route No. 5168
Center Sugarbush Lane	Route No. 5286
East Ross Allen Lake Lane	Route No. 5231
Elsie Lake Lane	Route No. 5278

The Regional Road Engineer reviewed the Resolution and its accompanying documents, verified that the Tribe has not expended federal transportation funds on the Roads, and validated the update request. 25 C.F.R. § 170.444(b)(2)(i). On March 24, 2023, the BIA – Division of Transportation (BIA-DOT) approved the update request and removed the Roads from the NTTFI with immediate effect. 25 C.F.R. § 170.444(b)(3).

As a result, the Roads are no longer on the NTTFI and therefore are ineligible for the expenditure of any Tribal Transportation Program funds. 23 U.S.C. § 202(b)(1)(A).

Please do not hesitate to contact me if you have any questions.

Sincerely,
